

## Charter

# Safety of non-commercial General Aviation flights with light aircraft

### **Preamble**

This Charter has been developed in cooperation with the European Union Aviation Safety Agency (hereafter “EASA”) in order to promote the safety of non-commercial General Aviation flights with light aircraft. By signing this Charter **Panoramic Flights Croatia** makes the commitment to adhere to the principles, responsibilities and values stated below. Specifically, the **Panoramic Flights Croatia** commits to:

### **Article 1**

Inform the passengers of the different safety levels concerning non-commercial General Aviation flights with light aircraft as compared to commercial air transport operations.

### **Article 2**

Actively promote a safety oriented code of conduct for both pilots and passengers.

### **Article 3**

Provide pilots with check-lists, guidance and tutorials on safety best-practices.

### **Article 4**

Provide passengers with accurate and meaningful information on the type of aircraft flown and the pilot’s current experience and qualification.

### **Article 5**

Provide an online forum in order to promote the sharing of safety best practices within the GA pilot community.

### **Article 6**

Collect data related to flights, aircraft and pilot profiles, and to share this data with EASA and national competent authorities.

### **Article 7**

Meet annually with EASA and national competent authorities with a view to review the implementation of this Charter.

### **Article 8**

Implement the detailed elements provided in the Annex to this Charter.

### **Article 9**

Publish this Charter on the platform’s website.
